

To  
Sister Caryl Weinberg

February 13, 2021

Dear Sister Caryl,

Hope you are doing o.k. by God's grace and mercy during this Covid 19 season. We continue to uphold you all in prayer.

Thank you very much for your email asking for prayer request. Kindly pray for the following:

1. New Missionary area to get established.

To lease a house at Athani, the most resisting area, Puthukottai District, Tamilnadu; we need Rs. one lakh immediately to settle Mrs. & Mr. Arputharaj, new Missionaries. Their photo is affixed. They are the 4<sup>th</sup> Missionary family after a gap since three of them were driven out. When they are settled, we need to construct the permanent building in UMI property there.

2. For building of a shed.

A shed is needed at Malavally, Mandya District; where Mr. Mahadeshkumar and family serve the Lord, near Mysore, Karnataka State, S. India. He is requesting for making shed continuously for the last one year. The estimate will be Rs.7 1/2 lakhs.

3. Existing area/couple for the purchase of land.

Purchase of land at Eriyode, Dindigul District; Tamilnadu, second most resisting UMI field, where Mrs. & Mr. Selvanagam are stationed, in an asbestos roof building. Mr. Selvanayagam has found the price of nine cents of land there for Rs. 9 lakhs. Two teen aged boys, mother and Mr. Selvanayagam affected in health often due to the asbestos residence. No other rented building is available for the last few years.

4. A permanent residence cum Tuition centre.

We are praying more in these days about a permanent construction of residence cum tuition center (Church) at Karuvanur, Manthikulam, Madurai District. The rented building is demanded by the owner to vacate it by the end of March 2021. We have a donated land for construction by Er. Meganathan, Madurai. The construction will cost nearly Rs. 20 lakhs, due to rise of prices.

We appreciate and thank you and family as God's vessels to UMI even to help as family, for construction, with loving regards and prayer to such resource.

With continuous prayer,

Yours in the Name of Jesus Christ for the Extension of His Kingdom,  
Rev. Dr. C. Retnadas, Director
